

WYM Monthly Meeting Directory

The purpose of this directory is to take you where you may never have gone before - to the furthest reaches of Western Yearly Meeting - to experience diversity and depth of faith of people you may have never met.

In short, this is a communication tool to encourage you to visit other meetings outside of your area. Included in this document are the location address for use with GPS and a written description of directions for getting to each meeting, to the Yearly Meetinghouse and office, to Friends Apartment Home, Earlham College, Earlham School of Religion, and Quaker Haven Camp.

A short description of each meeting is given, as well as the times for Meeting for Worship and Monthly Meeting for Business. Contact people are given, along with mailing addresses (if different from the Meeting address), email address and website. - Everything you need to visit a meeting, but an excuse. If you need an excuse, read the *Western Work* newsletter, the weekly *Updates*, or check out our Face Book or WYM website.

We hope you will be encouraged in your spiritual life and understanding of Quakerism as you worship, talk, and eat with Friends and attenders around the Yearly Meeting.

Wanda Coffin Baker,
General Superintendent
Western Yearly Meeting of the Friends Church

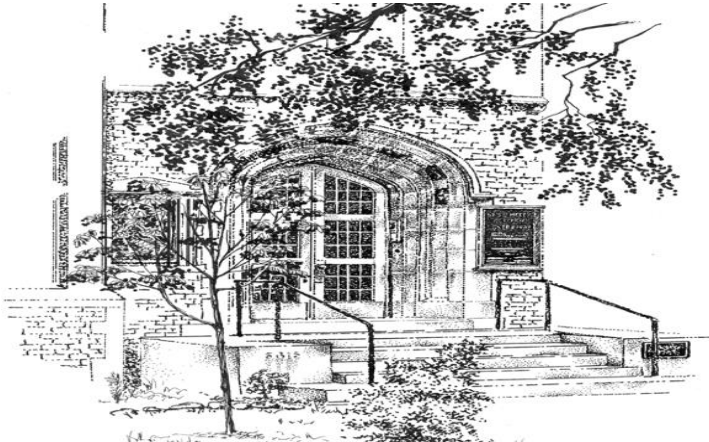

P.S. People and times change. Please feel free to contact the people listed or use the current **Resource and Minute Book** for information about current contact people.

In 1875, a brick meetinghouse was built at a cost of \$500. In 1950 the two meetings joined and became Sandcreek-Azalia Meeting. An annex was added on to this building in 1950 and was enlarged in 1971.

Western Yearly Meeting
203 S East St, Plainfield, IN 46168

Western Yearly Meeting was established for Friends in western Indiana and eastern Illinois by approval of existing yearly meetings in 1858. The current lot, a 12 acre tract “without a single tree,” was purchased on National Road, east of downtown Plainfield. A one story brick building, 120 feet long and 70 feet wide, was then built at a cost of \$11,000. A variety of trees were carefully selected and planted by an ‘Association of Young Friends.’ By arrangement Plainfield Friends Monthly Meeting began to hold their meetings in the Yearly Meetinghouse. The building was altered with a permanent partition in 1900. In 1913 the original building was destroyed by fire. Friends immediately rebuilt on the original foundation.
